

Morgan County Sewage Policies

Morgan County enforces the State Regulations. 3701-29.

In addition to the State Regulations the following have been adopted as Morgan County Policy.

- 1.) Payment is required before a site inspection is done. New System: \$350.00
- 2.) Payment for out of town applicants must be in the form of cash or money order.
- 3.) **A Plot map** from the Engineer's office is required for all permits, new and repairs.
- 4.) **A Development Permit from the Engineers** office is required for all permits.
- 5.) A **Soil Analysis** must be completed by a Certified Soil Scientist (list provided)
- 6.) The Installer must be licensed in Morgan County or the property owner who has passed the Installers exam offered by Morgan County Health Department.
- 7.) A **\$200 penalty** will be assessed if construction is started before permits are obtained.
